VERONICA SOLANGE CAPOBIANCO

FrontEnd Developer

<https://github.com/veritocapito>

Since 2020 complementing my career as a professional accountant with web programming. Responsible, committed and determined. I believe in constant training and new challenges. I have worked on projects with HTML, CSS, JavaScript, Angular, Java, Springboot.

In my career I have assumed high levels of responsibility and acquired interpersonal skills. I bring value in the implementation of IT systems and technology solutions.

I am looking for my first experience in IT, as a FrontEnd developer.
